Brazos Irrigation Studied By Little River Farmers

Representatives from Farmer's Home Administration, Soil Conservation Service and Extension Service with the Burkes Howard Implement Company accompanied a group of Little River farmers to the Brazos bottoms near Hearne to observe the irrigation systems used there and to try to learn some things that might help in the development of irrigation in the bottom land that can be watered by the Little River.

The tour started at the river where cotton was watered in borders with little water control. At the next stop row irrigation was observed where the amount of water was controlled with small pipes. Different types of leveling equipment were seen in operation along the route to Joe Crotopias farm where the group saw a completed conservation irrigation system.

Mr. Crotopias met with the group and explained his system pointing out the good points and some problems that could be expected in applying water to any land.

Farmers who made the tour from the Cameron area were Clayton Barton, Lawrence McClaren, Joe Mueck, Wallace Culpepper, Herman Mueck, H. L. McClaren, L. W. Mueck and his two sons, L. F. and Ben Mueck.

BO PEEPS

A wood carved treatment of THE LORD'S PRAYER in a window of the Cameron Herald, done by Joe Kuhn, a local painter is a work of art well worth seeing.

The carving required 72 hours of painstaking sawing with a fine coping saw and is done in white maple. The saw used and a sample of the wood is shown with the art which is mounted in a large frame.

The work has been attracting considerable attention and if considered closely may leave the viewer singing to himself the ancient and beautiful prayer.

VOLUNTEER FIREMEN, 15 of them answered the call of duty at Sunray and Dumas recently—they answered with their lives.

All of these firemen left families. A letter from the State Fire Marshals Association in Austin. Their need for assistance is urgent.

The Cameron Department gathered up a few dollars among themselves Monday night and now all of you who feel with them that these men died the death of HEROES and that it is fitting and proper that the families of those men be provided for in a reasonable way list:

DROP OFF YOUR DONATION, JUST A LITTLE, AT CITY HALL. The City Secretary will accept your contribution and it will go in with that of the Cameron Volunteer Firemen.

Give in the name of your favorite Cameron Volunteer Fireman. You are not asked to "GIVE TILL IT HURTS" just give a little so that you will FEEL GOOD. If you think you have it bad just think, for a moment, of those bereaved wives and children and share just a little of your earthly goods and THANK GOD you can.

Are you a "Mixcrat"? Just heard that word the other day.

Are you a bulb snatcher? The Kiwanis club says "If you are—then snatch up a bargain in bulbs from them and at the same time donate to charity." Four 60 watt and four 75 watt globes are yours for only \$1.50—a saving to you of 2 cents at least. If you didn't get yours, and if they have any left after their drive Tuesday night, call any Kiwanian and order yours.

Farmers Over 65 Should Contact S. S. Office,

More than 353 self-employed farmers who have reached age 65 have in the past 8 weeks filed their applications for social security benefits in the 21 counties served by the Austin District office, according to James B. Marley, manager.

These persons, Marley continued, filed the 1955 tax returns, paid the self-employment tax thereon, and have already grossed \$800 in creditable farm income in 1956. By a special provision in the law, farmers past 65 who meet the two conditions just outline may file their claims now, without having to wait until the end of 1956, their second year of coverage under social security.

Payments are in the process of being certified to those who do not expect their net earnings this year to exceed \$1200, and to those other farm and ranch operators who have passed their 72nd birthday. If the farmer thinks he may net over \$1200, but cannot make a reasonable estimate of the expected net for 1956, his claim is still approved, but no checks are released until the end of the year when exact figures become available, or at such earlier time as he can make a fairly accurate estimate.

As there may be advantages to having a claim filed at this time, Marley urged all self-employed farmers who are over 65, who have filed their 1955 tax returns, and who are still operating their lands, to get in touch with the Austin social security office in the very near future. A copy of the 1955 tax return and cancelled check or money order stub showing payment should be presented when the application is filed.

Milam Ag Teachers To Attend Livestock School At Houston

Pat Kelley, vocational agriculture teacher from Cameron and Dwight Hine, vocational Agriculture teacher at Buckholts, will attend the ninth annual Houston Livestock Marketing School sponsored by the Houston Chamber of Commerce August 27-29. Each year the school is held to give County Agents and Vocational Agriculture teachers the latest word in livestock marketing practices.

The three day school will have portions of the program held at Port City Stockyards, Houston Packing Company and the University of Houston Campus.

Edgar Hudgins of the J. D. Hudgins ranch at Hungerford will deliver the keynote address at the luncheon opening the school Monday, August 27. That afternoon students will class and grade livestock at Port City Stockyards under the supervision of W. W. Bailey, Feed Division Manager, Houston Packing Company and Perry Boxersox, Market News Reporter for the USDA.

Native Cameronite Returns Here To Practice Dentistry

Dr. F. Burnes Bever, a native of Cameron and Milam County, who practiced dentistry here for seventeen years, has returned to Cameron and opened his office in The Citizens National Bank Building. Dr. Bever has been located in Caldwell for the past seven years. He and Mrs. Bever are at home at 501 North Crockett.

Mrs. Sarah Turner Bankston of Rockdale was a recent guest in the home of her parents, Mr. and Mrs. Tom Turner.

Emergency Feed Applications Filed At Rate of Sixteen Per Day With FHA

Emergency feed applications are being received at the Farmers Home Administration office at the rate of 16 per day. As of Monday night, August 6 a total of 353,520 pounds of grain had been applied for. Purchase orders can be received as early as Friday, August 10, on these applications said County Supervisor Roy Wright.

Applications will be accepted through August 31 the supervisor said and the committee will meet each Wednesday as long as the number of applicants hold up.

Only breeding herds of beef cattle, dairy cattle, sheep and goats qualify for the relief grain while livestock being held as feeders for future sale do not qualify.

The amounts certified are for a 60 day feeding period or through September 30 Wright said and if the program is extended application can be made again after September 30.

Purchase orders will be issued by the local ASC office and the applicant may purchase feed through any dealer who is cooperating with the Emergency Feed Program.

Corn, oats, barley, and grain sorghums are the feeds eligible. Range cubes or pellets containing 75 percent or 60 percent of the above grains are also eligible. Hulls, meal and cake are not eligible for purchase under the program Wright concluded.

May Be Saving Food For Rainy Day . . .

Milam County is paying the bill for surplus food commodities but the people are not getting the food.

The State Department of Public Welfare on May 1 received a check for \$200 from Milam County for "Administrative overhead surplus commodities" (DP), as shown by County Treasurer's records. No explanation for the (DP) was available from the treasurer but neither is an explanation for the delay in food distribution readily forthcoming from the courthouse.

A clerk was hired soon after the Commissioners Court adopted the surplus food distribution program in April. The court turned over operation of said program to Judge Charlie Smith Jr. "Lock Stock and Barrel."

A warehouse was contracted for in the Santa Fe railway Freight Depot. This monthly bill has been paid as has the salary of the clerk.

Miss Veronica Michalka is District Five Supervisor of the State Department of Public Welfare's Commodity Distribution Division. The warehouse containing Miss Michalka's supply is adjacent to that contracted for by the county, (still lying idle). The floor space must be divided by a partition before she can allot Milam County food stuffs for distribution. This

\$128.32 Premium Paid Ginner Of First Milam Bale

Merchants of Cameron paid \$128.32 premium to Mr. M. E. Mitcham of Rt. 2 Buckholts, for the first Milam County cotton baled at the Matyastik and Sons Gin in Cameron.

The first bale, sold to a cotton buyer for 30 cents per pound and was a 535 pound bale The seed brought \$20.50.

J. A. Hood Of Milano Chosen Apprentice Petty Officer

Selected at the Naval Training Center, San Diego, Calif., as apprentice petty officer second class was Jerrell A. Hood, son of Mr. and Mrs. J. A. Hood of Milano, Texas.

The Apprentice Petty Officer, scheduled to graduate August 4, are chosen from the ranks of the seaman recruits to assist the Company Commanders. The selection is made on the basis of aptitude and leadership qualities of each individual.

Coach Tompkins Goes To Irving Jim Speer Here

Homer Tompkins, who came to the Yoemen at mid-term of '55 has decided to pack up and go north. He was replaced Monday after Coach Jackson and Principal Dick Young contacted 26 year old Jim Speer at the football conclave in Lubbock and was hired after a telephone conversation with Superintendent Wiley Loughmiller. The Yoe staff is still on the lookout for another coach to replace Principal Young.

Speer is married and has three children, he hails from Seminole and Baylor University where he played under George Sauer. Other than these bare facts the remainder of his history was not available here Tuesday. He is a Social Science major which will place him as teacher of some of the social science courses said Loughmiller.

Tompkins, also attending the coaching school in Lubbock was not available for comment on his departure but it was understood that he will be on the coaching staff at Irving, Texas.

G. I. Home Loan Extension Bill, Now Law, Has Many Good Features

The bill signed by the President extending the World War II GI Bill loan deadline also has other important provisions affecting many veterans, Dr. George T. McMahon, Manager of the VA Center in Waco said.

The new law will permit any veteran who sells residential property purchased with a GI loan to be relieved from liability to the Government under certain circumstances, Dr. McMahon said.

Previously, the veteran who sold his property and allowed the purchaser to assume his GI loan still remained liable to the Government in the event of subsequent foreclosure and the payment of a guaranty claim by the VA.

Now, Dr. McMahon pointed out, the veteran may be relieved of liability if the purchaser assumes full liability on the loan, the VA approves him from a credit standpoint, and the loan is current.

The new law also permits World War II veterans to have their GI loan entitlement restored up to January 31, 1965, if their property was taken by a Government agency for public use, was destroyed by a natural hazard, or was otherwise disposed of for compelling reasons without fault on the part of the veteran.

The law extended the World War II GI loan program ending date for one more year to July 25, 1958. Any loan application received by VA up to that time may be guaranteed by VA if it is completed by July 25, 1959.

Another provision permits the restoration of GI home loan entitlement to a veteran in military service who disposes of his home because of a transfer under military orders.

Veterans will have to certify that they intend to live in the home they are buying with the assistance of a GI loan at the time of application and at the time of closing the loan.

The new law also clarifies and confirms VA's authority to make the final determination of reasonable value of property irrespective of the estimate of value made by an individual appraiser.

Mayor Robert Weems made it a point, following the meeting, to point out that two members of the council were absent and that he had not as yet signed the document or resolution. He had made it clear in an attempt at discussion of the resolution that he was opposed to it. His talk was cut short however when a councilman reminded him that in order to discuss the motion that he would have to relinquish the gavel. Rather than comply with this rule of parliamentary procedure the mayor or passed.

The resolution will have the effect of eliminating a \$300 per year car expense account allowed to Councilman Roy Griffith as head of the street committee. It was noted that this was entirely acceptable to Councilman Griffith.

The Heart-O-Texas Fair was invited to use Wilson-Lebetter Park on September 26 before the beginning of a "Trail-ride" beginning in Cameron and going to Waco.

Henry Keller and Son fiscal agents were hired for the preparation of a bond issue for water and sewer improvement and enlargement. A special meeting of council was ordered for Monday, Aug. 13 for a discussion of the proposed bond issue with Rudy Engineers and the fiscal agents.

Keller, who has already done a vast amount of work in studying the Cameron water rates and possible operating revenue expressed amazement at the "Extremely Low" water rates in Cameron in contrast with other cities the size of Cameron.

BULLETIN

Notification came at press time Wednesday that Murray Webster, 26, of Dallas, married and with one child has been hired as teacher-coach to replace Principal Dick Young thus completing the coaching staff for Yoe. Webster has coached one year at Haskell and was a six year Jr. and Sr. College player, playing four years at Del Mar in Corpus Christi. He expects to move here by August 15.

Charlie Smith Pays Out But People Get No Food

At that time the \$200 for the administrative costs of handling food distribution in Milam County will have expired and the payment for the new fiscal year the amount will then be doubled. The \$200 was paid on the basis of ten cents per receipt for all or any part of the second half of the year which is fast drawing to a close. The annual state overhead is 20 cents per recipient per year Moore explains. Therefore only THREE FULL WEEKS remain in this fiscal year for Milam recipients to receive any benefit from the \$200 paid out.

A change in procedure for dispensing the food was made effective on July 15 according to the State Officer Wilkie E. Moore. This provision eliminated the necessity for deciding the financial status of the recipient on the basis of 1. No income and 2. Some income. Now, since July 15, all eligible can receive the same commodities and the same amounts, thus relieving the extra book work of determining degree of need and amounts. This proviso, OSTENSIBLY, was being awaited before the Milam Judge would implement the program in behalf of his constituents.

Moore said that there is an abundance of dry beans, dry milk, rice, butter, cheese, flour and meal on hand for another year's supply but that a shortage may occur in shortening. All of these products are on hand in the Cameron Warehouse or in a Taylor cold storage vault ready for distribution in both the school and the public welfare programs.

F. L. Gregory, Cameron official of the Public Welfare Department, says that he finds the need among the rural folks up at least fifty percent this year over one year ago. His work is with Old Age Assistance; Aid To Blind and Aid To Dependent Children but he comes in constant contact with those who are ineligible for his type of assistance but who are in dire need of food.

Roy Wright, head of the Farm Home Administration in Cameron, finds many of his proud constituents seeking loans to buy food. These are the last people in the world who would ASK for Public Welfare assistance Wright said but the winter will undoubtedly find them forced to the wall and ready to accept the food where they can qualify.

It was observed by F. L. Gregory that a tour of the northern part of the county brings to mind John Steinbeck's "Grapes of Wrath" and this territory is rich blackland but the crops are nil, the land is thirsty and the farmers are hungry.

The two county newspapers which have staff reporters who cover Commissioners Court are still awaiting the promised "word" from the County Judge when the program is in readiness. On numerous occasions his honor has advised the reporters to be patient and he would "hand out" the information "within about two weeks." Now he has handed out, not to the newspapers but to Radio Station KMLM the word that the program will be in readiness NEXT WEEK.

At least the "waiting period" has been cut in half, if that is any consolation to the hungry people.

Fire Completely Destroys Kirk Grain Warehouse

A fire of undetermined origin completely destroyed a Kirk Grain Company Warehouse near the Santa Fe Railroad at 3:55 Sunday morning.

The two alarm blaze which engulfed the 150 by 75 foot warehouse took a financial toll estimated at about \$25,000 approximately half of which was covered by insurance according to Jean Kirk.

The fire which started at about 3:55 a.m. was finally declared out at 6:30. It was well attended by volunteer firemen and the Kirks were completely satisfied with the good job of putting it out.

A gasoline storage tank was discovered by the fireman at about 5 a.m. to be near the burning structure and was removed. A truck which stood near the building at the onset of the fire was badly damaged.

There will be some salvage in the grain but it was noted that water had taken a heavy toll of that and it had begun to cake early this week.

The fire was turned in by the Santa Fe Tower man.

Goobers Get Lower Parity Than '55 Crop

The 1956 peanut crop will be supported at a national average price of \$227.04 a ton compared with \$244.80 for last year's crop. This is 86 percent of parity against 90 percent parity last year.

Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to prices they pay for goods and services.

Relieves Mayor And Council From All Operational Duties

A resolution dissolving the standing committees of the city council and placing full authority in the Department heads as required by the charter of the City of Cameron was adopted by a majority of council Tuesday night.

The far-reaching resolution provides: That the standing committees are hereby dissolved and the same shall have NO AUTHORITY after the passage of this resolution.

That powers and authority exercised heretofore by the standing committees shall be vested henceforth in the Department Heads as REQUIRED BY THE CHARTER and as so efficiently executed by the respective department heads since their employment.

That the department heads shall in the operation of their departments be responsible to the Council, as provided by section 30, article IV, of the charter, and shall perform such duties as may be required by them by the Council, which are not inconsistent with the Charter.

The resolution was adopted by Councilmen Thompson, Stidham and Brady. Councilmen Griffith and Mondrik were absent.

A motion was then made by Councilman Brady directing "That the City Secretary start an agenda, and that all problems to come before the council be placed on the agenda, and that each department head be advised of the problem on the agenda that concerns their department, and that they obtain all facts pertinent to the problem and present them with their recommendation at the next meeting of the council.

Another provision permits the restoration of GI home loan entitlement to a veteran in military service who disposes of his home because of a transfer under military orders.

Veterans will have to certify that they intend to live in the home they are buying with the assistance of a GI loan at the time of application and at the time of closing the loan.

The new law also clarifies and confirms VA's authority to make the final determination of reasonable value of property irrespective of the estimate of value made by an individual appraiser.

Reinstatement Of G.I. Term Insurance Aim Of Administration

Dr. George T. McMahon, Manager of the VA Center in Waco, advised that thousands of World War II and post Korea veterans who lost their 5-year term GI insurance since July 23, 1953 because they had failed to pay either or both of the last two monthly premiums will be given an opportunity to reinstate their policies under a new law just signed by the President.

VA said it is searching its records for these cases, so it soon may send each former policyholder a reinstatement application with instructions on how to proceed.

The agency "strongly" requested the affected veterans not to write or otherwise make inquiries about their cases for at least a month so as not to delay the checking process to the detriment of all veterans involved.

Old Time Revival Meet Planned At Marlow Baptist

The Marlow Baptist Church begins its summer revival Sunday August 5 to continue through Sunday August 19.
Reverend Jerry Gunnels will be the evangelist. He is a graduate of Baylor University and was recently discharged from the Air Force where he was a Jet Pilot.
In the last few weeks Rev. Gunnels has been successfully conducting revivals in Alabama and Georgia.
On Sunday August 19 there will be a basket lunch at the Church. Everybody is invited to come, bring his food and to enjoy the fellowship.
Prayer Service begins daily and Sunday at 7:30 followed by sermon and worship service at 8 p.m.
Evangelistic preaching and gospel singing of the old fashioned kind is assured.

Fred Reno At Southland Life Insurance School
Fred F. Reno, Cameron, representative for Southland Life Insurance Company, this week is attending a sales training school in Dallas.

A series of four sales training schools are offered Southland Life representatives over a period of 15 months. This particular school is the first in the series. Between these schools each Southland Life representative completes specified study courses in an "on-the-job" fashion. The purpose of Southland Life's comprehensive training program is to assure the public of professional service from Southland Life representatives.

Herman Jahnke left Cameron on Friday for Brenham where he will make his home. His address will be the Southern Hotel in that city.

Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—which is one big reason why Buick outsells all others cars in America except two of those smaller cars.

BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflo.* It's

the only transmission in the world with the cruising thrift and the witch-pitch safety-surge taken from the modern plane's propeller.

So WHY WAIT any longer—when the time to take action is now, so you can start enjoying all the golden months of summer and fall in a new '56 Buick?

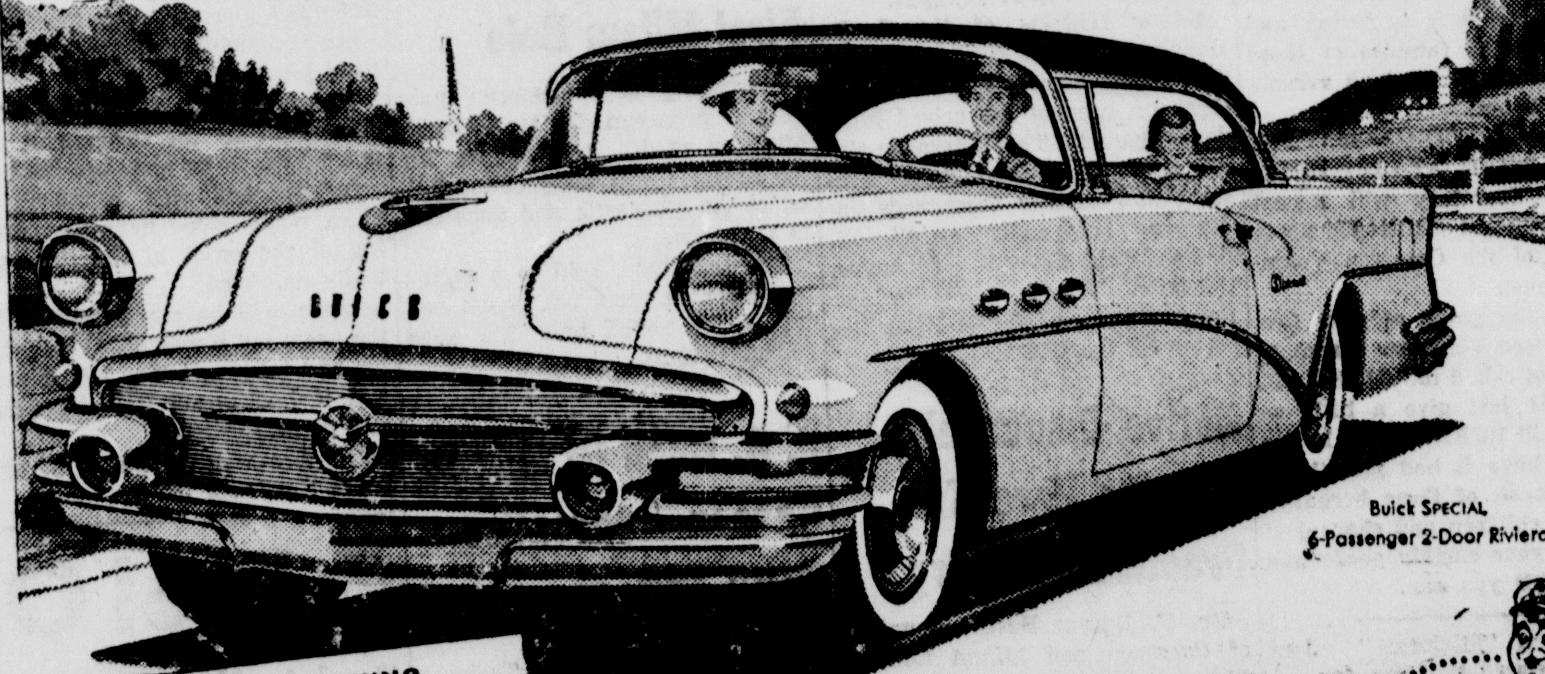

Now—when Buick prices are as low as—perhaps lower than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead right now.

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

THE CAMERON HERALD

Robert Mann Writes
Of Highlights In
Little League Play

Thursday night August 2 the final Little League games were played, thus climaxing this year's Little League season in which close to sixty boys participated.

It was a very interesting and exciting season for players and spectators alike, as there was a contest for first place and to stay out of the cellar down to the last game.

Last years winner, the Braves, and the Runner up Yanks started the season strong. It looked like they would repeat this year, then the White Sox, behind the pitching of John Patterson and the fine hitting and fielding of the whole team came from behind to take first place. The Yankees finished second behind the fast ball pitching of Carrol Fikes. The Indians who got off to a slow start settled down and finished third. The Braves who started strong were hard hit by vacations and injuries; the end of the season found them in the cellar.

The first place White Sox won 6 games and lost 1 for the season. The second place Yankee team came through winning 4 and losing 3 games. The Indians won 2 lost 4 and tied 1 while finishing third and the ill fated Braves won 1 and lost 5 and tied 1 to finish last.

During the season home runs were hit by Carol Fikes, Herb Thweatt, Steve Malone, Billy Hawkes, Stanley Sommers and Bobby Griswold. Steve Malone led the league in batting average with a .762 percentage. He had 16 hits out of 21 times at bat. Dan Brashcar got 8 hits out of 13 times at bat. Carol Fikes and Herbert Thweatt each got 9 hits out of 15 times at bat. They all had an average of .600 or better.

Steve Malone led the league in hits with 16. Bobby Griswold and Ronnie Williams were second with 10 each. Charles Staley, Herb Thweatt and Carrol Fikes had 9 each. Bobby Griswold and Steve Malone led the league in runs with 10 each. Ronnie Williams, James Anderle, Bertie Shoemaker, James Heitman and Billy Hawkes crossed the plate 7 times apiece.

All in all it was a very good Little League season. It was observed that as the season progressed the boys improved in their fielding, hitting and knowledge of how to play the game.

When some of the boys were interviewed, they expressed their interest in their team and were

proud of their coaches and the way the program was organized and managed through out the season.

The older boys were concerned about next year and wondered if there would be a Babe Ruth League for them to be in. The younger boys were already talking about who would be next years winner.

Receives Honors For
Outstanding Service

Outstanding service to the Young Farmer Chapter of Caldwell brought honorary membership on Chalmers E. Terry, son of Mr. and Mrs. C. S. Terry, 1704 No. Austin at the annual banquet of the Young Farmers early in July.

Mr. Terry is work unit conservationist for the Burleson Lee Soil Conservation District. He was formerly agricultural engineer in charge of soil conservation and irrigation development engineering in Tulia (Plainview area.)

A native of Cameron, Terry graduated from the University of Texas as a civil engineer in 1934. Before joining the SCS, he was with the U.S.D.A. in Lubbock-Childress area, and also in the Plainview Hereford area.

The Terrys have two sons, Terry M., at present in the U. S. Army stationed in San Francisco and Stanley is an architecture student at the University of Texas.

Mrs. T. K. Chandler
Dies At Home; Rites
Held Wednesday

Mrs. T. K. Chandler, 80, a lifelong resident of Cameron died at 8:15 p.m. Monday at her home, 1701 N. Hoover Street.

Funeral services were held at 10 a.m. Wednesday, August 7 at the Chapel of Green's Funeral Home with Rev. A. F. Russell, Pastor of First Baptist Church officiating.

Interment was in Oak Hill Cemetery.

Mrs. Chandler is survived by two daughters, Mrs. A. E. Brogan and Mrs. C. N. Dodson, both of Cameron; two sons, Guy Chandler of Hearne and J. K. Chandler of Cameron. Also fifteen grandchildren and twenty-one great grandchildren.

Palbearers were her grandsons.

A letter from Bennie Lee (Bo) Kennon, son of Mr. and Mrs. Ben Perry Kennon of 221 North Milam, Cameron, Texas, was received by chief Johnson, of the U. S. Navy recruiting service, at the court house building, Cameron, Texas.

"Bo" states that the Con-Tex Company, shipped from this area in June, has broken the Navy record that has stood for 16 years, by getting a mark of 4.0, in Navy language a perfect score, in barracks, and won the regimental flag, which is an outstanding achievement for a company with only two weeks of training.

Men from Cameron who are in the Con-Tex Company are, "Bo" Kennon, Winston Thomas Witte, son of Mr. and Mrs. O. A. Witt

of Route 2, Cameron, Texas. Charles Albert Heitmann, son of Mr. and Mrs. Leo Heitmann of 806 North Houston, Cameron, Texas, William Lane Caldwell son of Mr. and Mrs. Berry Cass Caldwell of Route 2, Cameron, Texas.

Mr. and Mrs. Howard Hardin and daughter, Sally of Waco were weekend guests of Mr. and Mrs. Driscoll Isaacs.

GO TO CHURCH SUNDAY

Miss Sue and Dora Shaw of Eagle Pass spent several days in Cameron visiting old friends. They are daughters of the late Dr. and Mrs. E. N. Shaw, who were old time residents here for many years. Dr. Shaw and his bride came to Cameron in 1885 to make their home.

Dr. Shaw died in 1909 and Mrs. Shaw died in 1948, and both are buried here. In Mrs. R. L. Batte's history of Milam County, she spoke of Dr. Shaw and his practice here.

News From Burlington

MRS. GEORGE LOGAN

Mr. and Mrs. Emil Kessler of San Antonio have been here a few days doing repair work on their farm. They returned home Thursday.

David Krause of A & M spent last weekend with the homefolks.

Mrs. Philip Ernis and children spent a few days here with relatives last week.

Mr. and Mrs. Bruce Crook are here in the homes of relatives and in Cameron at present. He is employed in Cameron.

Mr. and Mrs. Frank Benesh had the following guests recently: Mr. and Mrs. W. M. Kirsch and Mrs. Lucy Kirsch of Elgin; Mr. and Mrs. Ed Stuessel of Rosebud, Mr. and Mrs. Alben Benesh and family of Corpus Christi, Mr. and Mrs. J. B. Roberts of Chilton, Mr. and Mrs. Foy Benesh and David of Houston.

Mr. and Mrs. Frank Benesh and Mr. and Mrs. Foy Benesh and David and Mrs. Maggie Dennis of Rosebud had dinner Sunday with Mr. and Mrs. Pete Benesh.

CITY STORY

Volunteer Firemen brought a proposal for erection of a fire siren (a request said to be of seven years standing) in the residential area to the north of town. The proposal calls for expenditure of approximately \$500 and the siren would be activated through an arrangement with the telephone company for a charge of about \$3 per month.

The police department reported July arrests and fines in the amount of \$456.25. Chief Willie Dolan explained that the reason there are no more speeding fines is because the people have learned that all they have to do is to out-run the police car. Of the three collected in July one arrest was made in his private automobile. One made in the police car was on a Waco man who stopped "because he didn't know that he could out-run the police car."

Pay for work of the three man equalization board was set at \$157.50 for the seven days of work. Dr. Sharp reported on his inspection of the City Calaboose and found that from a sanitary standpoint that it is "mighty clean." It was recommended that beds be sprayed weekly and mattresses be sunned after each confinement and that the mattress covers be used.

County Demo Conclave Calm Before Storm

The August 4 County Democratic Convention held here Saturday night was calm and cool, and not so turbulent and stormy as the May convention.

At 8 p.m. sharp, County Chairman Max McClaren opened the convention and E. A. Camp of Rockdale was named permanent chairman. It was voted that all of the delegates present be seated in the convention.

Named on the Delegate committee were V. F. Norris of Thordale, W. T. Pearson of Rockdale and Roy Baskin of Cameron.

Mr. Camp at the request of county Chairman McClaren discussed the importance of every voter in the county voting in the general election in November. If every voter would go to the polls on that day, we would have more delegate strength from Milam County to the State convention, Camp explained.

In 1954, Milam county polled 1861 votes in the November election. The potential vote is around 6,000. By such a vote as this, Milam County could have 20 delegates to the state convention instead of 6 as we have this year, he said.

W. T. Pearson made a report from the delegate committee and the following Milam Countians were named to attend the state convention.

Mr. and Mrs. Rudy Marek, Mr. and Mrs. V. F. Norris, Mr. and Mrs. Emory B. Camp, Mr. and Mrs. Don G. Humble, Honorable A. N. Green, Mr. and Mrs. J. D. Peeples, Mr. and Mrs. John Burdett, Honorable Max McClaren, Mr. and Mrs. Leonard Allen, Mr. and Mrs. Dick Stedman, Mr. and Mrs. J. E. Flinn, Mr. and Mrs. Harry W. Clark, Mr. and Mrs. E. J. Moerbe, Mr. and Mrs. John Lovelace, Mr. and Mrs. Bill Boggus, Mr. and Mrs. Roy Baskin, Mr. and Mrs. Willie Jenkins, Mr. and Mrs. Will Lake, Mr. and Mrs. Henry Anthis, Mr. and Mrs. George Buffington, Mr. and Mrs. Dennis Klein, Mr. and Mrs. Edgar Hoppe, Mr. and Mrs. Gifford Thweatt, Mr. and Mrs. Dick Young.

Harry Wayne Clark, permanent Secretary.

Charlotte Pembroke Enjoying Navy Wave Training In Md.

Miss Charlotte Pembroke, daughter of Mr. and Mrs. Truman Pembroke was sworn into the Navy WAVES on July 30. Her mother and father saw her off by plane for Bainbridge, Maryland Training Center.

When recruiting officers learned that the new recruit was the daughter of a thirty year retired Marine they set up a Television picture of her and her parents to be shown over channel four KRLD.

A letter from Charlotte tells her parents that she is enjoying the new experience and that she will be at home on a two week leave within the next nine weeks. In the meantime she would enjoy hearing from her friends.

A service anniversary party honoring Mrs. Fannie Barron, Mrs. Annie Mikula, and Mrs. Ruth Staley was held at the Southwestern Bell Telephone Company Lounge, on Thursday, July 26th.

In the top picture Telephone Manager C. L. Carson presents a thirty year service certificate to Mrs. Fannie Barron. Mrs. Bela Hall is shown sitting.

In the lower picture, left to right are Mrs. Barron, Mrs. Ruth Staley, with five years service and Mrs. Annie Mikula, 15 years service. In the background are Mrs. Betty Jo Ford, Mrs. Julia Halpain and Mrs. Mary Jo Barmore.

Mrs. Barron has completed 30 years with the Telephone Company. C. L. Carson, Manager, presented her with an anniversary pin in behalf of her co-workers and friends. Mrs. Mary Joe Barmore presented her with a gift of luggage.

Mrs. Ruby Fogle, Chief Operator, presented a fifteen year pin to Mrs. Mikula, and a five year pin to Mrs. Staley. They also received gifts from their fellow employees, presented by Mrs. Barmore.

Arrangements of summer flowers were used. Refreshments were then served to about forty guests.

Girl's Summer Recreation Ends: Ribbons Awarded

By Anne Hinyard

Gosh! On my part I really had

ed to have our summer recreation program end Friday, but like the saying goes "all good things have to come to an end". I have had the pleasure of working with the sweetest and most co-operative group of girls that could be found.

The last week of our program

consisted of playoffs which the girls reached by the process of elimination from the original tournaments in each sport. The first place award was a blue ribbon, second place a red ribbon, and third place a white ribbon. Some of the girls did exceptionally well, and attained quite a few awards.

The girls who received their most earnestly earned awards in softball after a nip and tuck battle, were the Indians who edged out the Dodgers by a score of 8 victories to 6 for the Dodgers and also 2 ties. The members of the Indians team who received their blue ribbon awards were: Kay Pemberton, Betty Caddell, Patsy Tittsworth, Bridget Michalka, Patsy Thompson, Cookie Slavik, Jolene Wied, Jane Wied, Cathy Scofield, Linda Miller, Jane Monroe, Kay Bridges, Louise Thompson, Carol Ann Wilson, Patsy Marburger. Members of the Dodgers team who received their red ribbons were: Gloria Lane, Joyce Fuchs, Irene Buchanan, Mary Buchanan, Barbara Woodum, Peggy Mann, Carol Ann Shuffield, Jo Ann Anderson, Annette Fuqua, Linda Kirk.

Members of the bowling team called the "Dinosaurs" were the 1st place winners who won 19 games and lost 5. Members were: Johnny Smith, Dorothy Dillon, Raymond Tepera, Kay Pernice, Charles Staley. Second place team "Unicorns" won 16 games and lost 8 were: Barbara Guresky, Barbara Hollis, Warren Ream, Johnny Tepera, and Charles Kirk.

Third place team, the "Hippos", won 12 games and lost 12 were: Barbara Shattile, Catherine Mikula, Catherine Absnelder, Bob Dempsey and Lynn Barber. 4th place "Apes" won 1 and lost 23: Ann Allison, Charles Hollis, Annette Meese, James Hollis, Sharon Vick, Faith Roberts.

Those receiving awards in tennis were as follows: 1st La Nell Russell, 2nd Gloria Lane, 3rd Irene Buchanan.

Badminton 1st place, Patsy Tittsworth, 2nd, Jolene Wied, 3rd Carol Terry.

Horseshoes, 1st place, Barbara Woodum, 2nd La Nell Russell, 3rd Jane Wied.

Archery 1st place, Joyce Terry, 2nd, Patsy Tittsworth, 3rd Jolene Wied.

In closing I would like to express my appreciation to Mrs. Burke, Mrs. Manning, Mrs. Pernice, Mrs. Shattile, and Mrs. Bridges who donated their time and help during the summer to make the Recreation Program possible.

The two girls who received votes as the all-star players on the softball teams were: Betty Cad-

EXTRA TRACTION. With the all-wheel traction of its 4-wheel drive, the Universal 'Jeep' travels through mud, sand, soft earth.

MOBILE POWER. With power take-off, it provides power to operate trenchers, winches, and many kinds of farm and industrial machinery.

TOWING. Towing heavily-loaded trailers—on or off the road—is easy for the 'Jeep', with the extra traction of its 4-wheel drive and low gear range.

HAULING. The 'Jeep' carries up to a half-ton of cargo or up to seven passengers. Takes tools, equipment and workers wherever you need to go.

Only the 'Jeep' does all these jobs!

The time-tested Universal 'Jeep' spreads its cost over jobs like these and an almost endless variety of others every day of the year. This versatile vehicle gives you additional savings through long life, low upkeep and high resale value.

Price Reunion At Battetown And City Park Sunday Aug. 12

The annual Price re-union will be held at Cameron City Park on Sunday August 12.

Rev. Joe E. Love, pastor of Melrose Baptist Church in Houston and grandson of the late Mr. and Mrs. M. W. Price will fill the pulpit at Battetown Church as pastor P. L. Caperton will be on vacation.

Friends and relatives are urged to worship at Battetown Baptist and bring picnic lunches for the picnic dinner and fellowship in the park.

tulle with an applique set in lace overskirt which was afternoon length. The veil of imported illusion was caught into a matching scalloped lace rat.

Sister of the groom, Joyce Wilkinson, was maid of honor, wearing blue net afternoon length gown carrying a bouquet of trailing English ivy centered with white carnations.

Accompanying the groom as the best man was Ray Thompson, formerly of Cameron and now of Burnet. Ushers were Joe Lee Heitman, Glen Rosenberg, Paul Kunz, and Nathan Offield all of Cameron and Clint Taylor of Holland.

The bride's table at the reception held on the lawn of the Esslinger home was covered with a white linen cloth, draped from corner to corner with white tulle and English Ivy and centered by an arrangement of white carnations. The wedding cake was a four tiered ring topped by a bride and groom, and was served by Misses Virginia Graham of Cameron and Sue Ashford of Dallas.

Mrs. A. F. Matula, sister of the bride and Mrs. A. L. Von Rosenberg, cousin of the bride, from LaGrange poured while Miss Marjorie Wilkinson, sister of the groom of Branchville and Mrs. Earl Esslinger of Corpus Christi presided at the bride's table.

In the houseparty were Mrs. William Robinson, Mrs. Eileen Harrison, Miss Mary Jo Clements, Miss La Verne Michalka, Miss Kate McLane, Miss Ann Bradbury, Mrs. Ann Henrich, Mrs. Gillis Graham and Mrs. Roy Hensley.

Mrs. Esslinger, mother of the bride wore a navy dress adorned with an orchid corsage as Mrs. Wilkinson, mother of the groom wore a navy suit with orchid corsage.

The bride chose brown cotton print splashed with white and black accessories for her honeymoon attire.

The couple planned a few day's stay in Kerrville for their wedding trip before returning to be at home at 1704 North Hoover, in Cameron.

Mrs. Wilkinson is a recent graduate of Texas State College for Women and plans to teach English in the Sharp High School this fall. Mr. Wilkinson is a Yoe High graduate and is employed at Industrial Generators Corporation at the Alcoa plant, near Rockdale.

Out of town guests were Mr. and Mrs. Dude Gary, Andrew and Billy Gary of San Marcos; Mr. and Mrs. Harry Weathersby, Mr. and Mrs. William Robinson, Miss Mary Jo Clements and Dr. and Mrs. Dave Henrich all of Houston; Mr. and Mrs. Mark Rucker,

Mr. and Mrs. Tommy Harrison and Miss Sue Ashford all of Dallas; Mr. Alvin Clapp of Hearne; Mr. and Mrs. Gerald Kleypus of Temple and Mr. and Mrs. A. L. von Rosenberg of La Grange. Also others from Rockdale, Temple and Maysfield.
